TourSweden: We had a great time and thank you for all of your planning before and during the trip!
Tack så mycket,

T.W. and L.W. - Kansas City

TourSweden: Thanks again for a great trip, I thoroughly enjoyed it. I am glad it worked out for me to go and I decided to make it.

Best,

M.F. - Kansas City

We had a wonderful tour today with our personal guide on Gotland with our tour extension. The family visit on the farm was great.

J.O. - Kansas

TourSweden Participant's Photos

"The tour really immersed myself in Scandinavian culture and we got to see the less traveled areas that tourists usually don't get to experience. Meeting all of the locals and hearing their passions and perspectives really increases the value of the journey. Also being a wheelchair user, Dean did a great job accommodating me so I can get the most immersive experience throughout the tour. I am happy it worked out well for lifelong memories!"
